

“SAVE YOUR PUB”

THE DOLPHIN INN IS FOR SALE AND THE COMMUNITY HAS AN OPPORTUNITY TO BUY IT

The owners of The Dolphin Inn have put the pub on the open market with the intention of disposing of it.

Under the **Community Right to Bid** scheme, a period of moratorium has been triggered by Kenton Parish Council which means that the owners may only sell the Dolphin Inn to a community interest group. **Kenton Parish Council wants to encourage villagers to come forward to set up such a group.**

Support will be provided by ‘Pub is the Hub’ - more info can be found at www.pubisthehub.org.uk

But **time is short** – the community has until 20 December to make a bid or the owners will be free to sell the pub on the open market.

If you are interested in finding out more, a

PUBLIC MEETING

has been arranged to discuss the community’s options.
